

Schedule a Gigamon Executive Briefing

Meet with our team to accelerate both new ideas and solutions that can address your business priorities now and in the future.

INTRODUCTION

The Gigamon Executive Briefing Program is available for in-person, hybrid or fully virtual meetings. Agendas are tailored to address your specific goals and objectives. You will meet with our executives, solution experts, product managers and engineers.

Learn how Gigamon can help your organization harness actionable network-level intelligence to amplify the power of your cloud, security and observability tools while optimizing costs. This powerful combination enables IT organizations like yours to assure security and compliance governance, speed root-cause analysis of performance bottlenecks, and lower operational overhead associated with managing your hybrid and multi-cloud IT infrastructures. The result: you can realize the full transformational promise of the cloud.

WHAT YOU GET

- + Shared knowledge from experts working with thousands of complex global organizations
- + A customized agenda focused on your unique challenges and business requirements
- + Live demos of Gigamon solutions in action
- + Access to Gigamon executives, product managers and engineers

EXECUTIVE AND THOUGHT LEADERSHIP TOPICS

Hear from Gigamon executives and subject matter experts on current business and technology trends:

- + Securing the Hybrid Cloud Infrastructure
- + Going beyond MELT with Deep Observability
- + NetOps journey to the cloud
- + Product roadmap - what lies ahead?

TECHNICAL BRIEFINGS

Designed to provide technical deep-dives and live demos of leading Gigamon products and solutions that solve for the hardest network security and visibility challenges of the day. Sample topics include:

- + TLS 1.3 decryption and inline SSL
- + Application intelligence
- + Control and visibility into cloud operations

WHAT TO EXPECT

- + An agenda tailored to your specific goals and objectives
- + Flexible scheduling for EMEA or APAC time zones
- + Interactive, customized presentations from Gigamon executives and subject matter experts
- + Collaborative discussions

GETTING STARTED

- + Gather your cross-functional teams together to get the most value for your organization
- + **Schedule your Executive Briefing today.** Contact your sales representative to schedule an in-person, hybrid or virtual Executive Briefing or send an email request to: executivebriefings@gigamon.com.

ABOUT GIGAMON

Gigamon offers a deep observability pipeline that harnesses actionable network-level intelligence to amplify the power of observability tools. This powerful combination enables IT organizations to assure security and compliance governance, speed root-cause analysis of performance bottlenecks, and lower operational overhead associated with managing hybrid and multi-cloud IT infrastructures. The result: Modern enterprises realize the full transformational promise of the cloud. Gigamon serves more than 4,000 customers worldwide, including over 80 percent of Fortune 100 enterprises, 9 of the 10 largest mobile network providers, and hundreds of governments and educational organizations worldwide.
